## ***Our Mission: Worshiping God and Forming one another into loving servants of Christ and the world***

### Pastors Column: All Generations Together Seeking and Sharing Christ

Have you ever had a thought in your mind that you just can't shake? I am currently in that place. I can't shake the thought of PFC being a congregation called by God to this:

#### **"All generations together seeking and sharing Christ."**

Each and every word of this brief statement means something to me. I hope to convey this to you.

**"All"** - We value each person no matter their age or background. We believe that all are made in the image of God (Genesis 1:26-27).

**"generations"** - God lives and works in every age group in our congregation. Every generation can benefit from the perspective of another generation (Joel 2:28-29). We live in a culture where generations are usually seen as opposing one another, but in God's Church that doesn't have to be. Instead we can be a body of Christ where the generations mutually support

and lift each other up, just as Simeon lifted up the Baby Jesus in front of Mary and Joseph (Luke 2).

**"together"** - God wants us to be a unified Church body, centered on Jesus Christ. Jesus prayed in John 17:23, "May they be brought to complete unity to let the world know that you sent me and have loved them even as you have loved me." (NIV) We may have different gifts, or participate in different worship services, but we are part of the Body of Christ Together! (Romans 12)

**"seeking"** - We desire to glorify God and enjoy Him forever, as Jesus said, "seek first his kingdom and his righteousness, and all these things will be given to you as well." Matthew 6:33-34 (NIV) We must constantly seek Jesus Christ. We also want to be a people who allow seekers of Truth in our midst. We should encourage people new to faith or outside of faith, to seek

## Sanctuary Stage Update

It was announced at the Annual meeting that the Executive Board would like to make the altar/stage in the front of the sanctuary all one level for utility's sake. The floor would all become the same level as the level the pulpit currently is on. This would make the stage

slightly more accessible, but it would also make more available usable space, as well as make the screen more visible to more seats in the sanctuary. Look for dates to be announced soon for the work on the stage. While we are doing the work we hope to

reconfigure the audio system hookups to have fewer wires around the stage. If you have questions regarding this project, or want to help out with work, please contact Dale Tronsen your facility rep. on the Executive Board.

## Executive Board "Shorts" Report

Elections were held for officer and ministry liaison positions:

- Bill Demell, Moderator Dale Tronsen, Facility Rep. and Vice Moderator
- Darlene Schwartzmann, Christian Ministry Liaison Patti Green-Kent, Financial Oversight
- Pastor Corey Laughary, Clerk ("Secretary") Gary Dicus, Representative

The executive Board reviewed the final giving and expenditure numbers of 2012 and was pleased that we ended with a surplus. Thank you for your

generous giving! The Board designated mission giving priorities for 2013 using the framework of giving to our Jerusalem (local), Judea (regional), Samaria (a culture unlike ours) and the ends of the earth (overseas mission).

We are committed to supporting this year: YoungLife Garfield-Palouse, Carenet of the Palouse, Whitman County Chaplaincy, ABCNW Regional Ministries, Prison Chaplaincy, Ed and Miriam Noyes (Demo. Rep. of Congo) and Walt While (Global Consultant

Missionary). In addition to these stated commitments we will fund legitimate benevolence requests for local people in need. Also we enjoy funding "Evangelism Grant" requests. Evangelism Grants can be written up by any two active PFC people, stating a project that will share the good news of Jesus Christ in word and/or deed. All you have to do is write up a brief "who, what, when, where, and how much" proposal and submit it to the Board for approval.

## Praises & Prayers

### Ash Wednesday – February 13<sup>th</sup>

**6:30 am and 6:20pm, Take Your Pick!**

Ash Wednesday is the beginning of the six week season of Lent. We begin the season with the mark of ashes being smudged onto our forehead. This act is a reminder that “from dust we came, and to dust we shall return.” It is to be a somber reminder of our mortality and our sinfulness. To be reminded of our fragility and our mortality is a very healthy thing. It helps us to appreciate God’s gift of life, and also helps us to see our true need for redemption in Jesus Christ. If you have never been to an Ash Wednesday service you should really try it out. They are pretty brief in length, usually only 15-20 minutes.

We give thanks for our Veterans, we pray for those actively serving. We thank God for missionaries and pray for those serving in this manner. We pray for Sarah Anderson, pregnant Moms in our community, Susan Woodall, Connie Atkinson, Don Comstock, people in our community to come to Christ. We pray for the youth of our community, our whole community, marriages in our communities, people who are visiting in worship, for the leaders of our church, communities, states and nation. If you have prayer concerns

and/or praises, please give them to the pastor.

#### Active Duty Service Members:

Jason Evenson (Afghanistan), Mitch Kriebel (Afghanistan), Shawn Tompkins (Afghanistan), Mark Tronsen (Japan), Steven Griffin (Texas), Zach Spear (Hawaii), Michael Forbes (Egypt), Danielle Tavenner (Oklahoma), Nick Burgess (Virginia), Adam Burnett (Shaw AFB), Kristina Pillai (Afghanistan), Liza Chavira (Afghanistan).

## Upcoming Class

**PFC 201 February 17<sup>th</sup> 3-5pm** – This is a class for any and all who want to be in leadership roles in ministry with PFC

## Palouse Food Bank

January 2013 marked the Palouse Food Bank’s 12<sup>th</sup> monthly food distribution helping the less fortunate of the City of Palouse. In January they served 50 families. Residents of Palouse have donated much of this food for distribution. In February, the Palouse library will run the “food for fines” program. This annual event donates all proceeds to the Palouse Food Bank. Please consider giving on February 5<sup>th</sup> at the Palouse Library. The next Palouse distribution will be on February 20<sup>th</sup> from 1-4pm in the Palouse Community Center.

## Sunday School Goals

~Brenda Cook

Our goals for the children have been and continue to be:

- |                                       |   |
|---------------------------------------|---|
| 1) Learn how to pray.                 | 4) To offer a comfortable and safe setting and for them to know they are cared for. |
| 2) Learn that Jesus loves them.       | 5) To have consistent attendance.   |
| 3) Increase their Biblical knowledge. | 6) And ultimately, to accept Christ as their Savior.                                |

## Why Become A Member?

When you become a disciple of Jesus Christ the Bible teaches that you become a part, or member, of His Body (Romans 12). Christ's Body, the Church in whole world, is made up of all different kinds of people in all kinds of locations. Local Christians gather together and form congregations, that's what we are as Palouse Federated Church. Becoming a member of our local congregation of Christians is in no way required for salvation or entrance into Christ's Body. However, we truly believe Christ calls His Disciples to join a local movement of believers, and when you become a member of a local church, you are proclaiming that you believe in Christ and support His Mission happening through the local church. Members of a local church body are people who are committed to giving towards and working for

the work of Christ in their location. So if you care about the Jesus Christ and the local mission of your church, you should become a member of it. Being a member then allows you to vote on major issues in the church, such as the calling and dismissal of a pastor, the election of Board members and other offices, the purchase and sale of property and the amendment of our constitution. Members care about building up the local church, not for its own sake, but rather so that it can effectively witness Christ to its community through word and deed.

## Resolutions in Giving By Pastor Corey

In January people set all kinds of lofty resolutions and goals for the new year in front of them. But the real test comes in February, when you see who was just blowing smoke, and who sincerely is going to stick to their convictions.

Many people come to the mental or emotional conviction that they are to give regularly to their local church, and many of those come to the biblical conviction that it should be a tithe, or a tenth of all their income. However, only a fraction follow through on these mental and emotional convictions.

They know its right to give. They feel its right to give. But they really believe some things are more important than giving, so they never give the full amount that they know they should give.

"Where your treasure is, there will be your heart also." (Luke 12:34) What you give to, shows where your true beliefs and allegiances are. It's a tough truth, but its true.

If you truly believe God is calling you to give, you will make it a priority over other things in your life. You will budget giving right at the top of your budget, and not at the end, if there is anything left.

There is a blessing in living with giving to God's work as your top budget priority. It will discipline the rest of your budget. It will call you to be more interested in the work of the local church. You will start to see your money as a gift from God given to you to steward for spiritual gains, rather than just as a means to support your life style.

If you resolved to give this year, you will need to change your life priorities in order to give regularly.

# The Holy Spirit, Love and Doves

~ Betty Sawyer

We've recently studied about how the Holy Spirit came down on Jesus like a dove when he was baptized in the Jordan, and it led me to more study of that bird, the Holy Spirit and its great symbolism in my life. Doves are known to be gentle, peaceful birds who always watch out for their mate. When they see their mate in distress, they also are distressed. They mourn when they lose a mate. They don't want to cause distress in their mate, but express nothing but love and friendship to its mate. A dove is without gall, without talons, having no fierceness in it. It is symbolic of Peace.

It leads us to Christ. Thomas Goodwin said, "For as sweetly as doves do converse with doves, so may every sinner and Christ converse together."

So are we loving others and communicating with others as Christ would have us? In this season of Valentines and boxes of chocolates and roses representing love, be sure to love as Jesus would. Ask for the Holy

Spirit to come upon you to comfort and guide you. The Holy Spirit comes on each of us personally, with gentleness. Love gently, and tell your beloved, as God did, that you are "well pleased." Tell your sons and daughters how much you appreciate them and love them with God's love no matter what they do.

Have you noticed the other ways God sent His Spirit to people in the Bible? He pours out the Holy Spirit as rain poured out, like at Pentecost (Acts 2:17) or refreshing where there has been dryness (Joel 2:23-29) or restoration where there has been loss (Isa. 28:11-12). He floods your soul with the Holy Spirit like a river (John 7:37-39) for fullness, life and ability to love others. He comes in the wind (Acts 2:3) or the sound of a rushing wind showing the Holy Spirit as dynamic, irresistible and unstoppable. He comes in fire (Acts 2:3) where he probes the inner recesses of our life and refines us. He is like holy wine

quenching the thirst (Eph 5:8) where the symbolism is as new wine coming into old vessels. The Holy Spirit comes as oil (2 Cor 1:21-22) making us sensitive (1 John 2:20) to those around us.

And He comes like a dove, with love and peace. Invite Him to freshly come into your life each day. And live a life pleasing to God. ( parts taken from "Symbols of the Holy Spirit," by Jack Hayford)

## Printing the Newsletter and Bulletin

Pinky Bagott- Glass volunteers weekly to print our bulletins and inserts, as well as monthly to print the church newsletter. She is going to be out of the area in March. We are looking for a volunteer who would be willing to print the bulletins and inserts (1-2 hours a week), as well as print the newsletter (2-4 hours a month). You can use all the church's equipment and Pinky would be more than willing to train you!

## Fasting: February Discipline of the Month

~ Tina Laughary

This month's discipline is probably one of the least favorite in our American culture: fasting. Fasting is when you abstain from a normal practice for a spiritual purpose. Most often, when we discuss fasting the item we are abstaining from is food but it is possible to fast from other activities as well. The goal of fasting is a deeper understanding of our need for God and a stronger connection to Him. In fasting, we don't just take a habit away—food for example. We add something to our day in place of the time we would spend doing whatever it is (eating in this example). If you are abstaining from food and you feel hunger pains you would pray. "Lord, may I hunger and thirst for your presence the way I hunger for food." You may also choose to spend your lunch break in prayer or study or meditation.

God can surprise and bless us in beautiful ways when we sacrifice something we normally do without thinking in order to spend

more time thinking about Him. What will be the result? I cannot answer that question. Maybe it will come in the form of clarity or affirmation or even correction. For sure you will come away having spent time in the presence of God and that is always good for the soul.

If you have never practiced fasting before but you are ready to give it a try, begin slowly. The first week or two you may choose to go one day without breakfast. Then you may choose to skip two meals, not eating until dinner. One popular form of this is a 23 hour fast. You stop eating after dinner and do not eat again until dinner the next night. Eventually you may fast an entire day or 3 meals. Some people work up to a point where they fast for days. With any type of fasting, make sure you are being safe. Never deprive yourself of water. You may also choose to drink juice while fasting. Make sure you talk to your doctor before trying a fast if you have a medical condition.

Lent is quickly approaching and with it the opportunity to spend 40 days practicing a fast of some kind. Some people choose to give up meat, chocolate, sugar, alcohol, coffee or non-food items like TV or the internet. While fasting for Lent is not a mandatory practice it can be a very healthy reminder to become more dependent on Christ. I would encourage you to try fasting. There are many good resources out there to help you prepare for a fast. Check out the bulletin board outside the Fellowship hall for more information.

Remember, fasting is a discipline. It can be quite challenging, especially in the beginning. But like any discipline it does get easier with practice. If you try and fail don't beat yourself up, just try again. May we all take the time and effort to rely more tangibly on the power of Christ. Fasting has no power in and of itself, it is just a tool to focus on Christ.

## Blast from the Past by Pinky Glass

As I continue to go through piles and piles of things I cannot live without, I came across a picture of Mom from long ago. It was taken at the home the three Bagott kids grew up in on Mohr Street which is now owned by Steve and Robin Shoemaker. I'm not exactly sure when the picture was taken but I would guess the early 50s. The Mission Circle decided to collect Gold-Medal Flour coupons to get silverware for our church and Mother was in charge of getting them all together. Other items were purchased also, like the serving tray Mom is holding and the Coffee and Tea service still in use today during more formal occasions. Those were the days when there were many, many loaves of bread, delicious homemade rolls, cakes and pies made from scratch at home, long before cakes mixes and the bounty of store bought pastries were so plentiful, so there were plenty of coupons.

At the time, if you had enough coupons, there was very little money required to purchase the silverware, boy those were the good old days. I remember

in the newly established Federated Church down on church street, when we would have potluck dinners on a Sunday evening, it was one of the responsibilities of the kitchen crew to count the silverware before people went home, not that anybody was stealing it but you know how spoons and forks get lost in tea towels that wrapped up the food offerings brought from home - plastic wraps and baggies were also items of the future. Doing dishes was a bit more of a challenge in that church, while we did have running water in the kitchen, it was just cold water so big pots were filled with water and carried over to the wood cook stove to heat it up, a far cry from what we do now, just a scrape, rinse and place them in the dishwasher.

The pattern that was selected was Queen Bess. We now have many varieties of flatware. Just like many of you ladies in the congregation have done in the past, a few months ago I collected all of the Queen Bess silverware, took it home and a friend of mine and I polished it. Then we took a knife, fork and spoon and wrapped it in a napkin with a paper collar around it like they do in many restaurants today. That silverware is now located on the bottom pullout drawer under the plastic containers of the loose silverware we use for everyday. It is my hope that

we will be able to use the wrapped silverware for special dinner occasions. After it is used, when you take it out of the dishwasher, if you would put it in the container next to the wrapped silverware I will keep watch and get it wrapped and returned, ready for the next occasion.

Over the 60+ years we have used this silverware, the numbers have dwindled some. While we have plenty of knives we are a bit short on forks and especially teaspoons. I have placed a picture of the Queen Bess pattern in this article so if you like yard sales and thrift stores and see some of this pattern, if you would purchase it you will be reimbursed

We have some 50 complete wrapped sets of silverware, and while the design is not quite as defined, after thousands and thousands of washing, I think the Mission Circle's efforts left quite a useful and practical legacy for us. (Now you know why I "fuss" over the silverware at times) I do love our rich church history and often relive many happy memories as I participate in our varied worship activities here at Palouse Federated Church.

## Pastor's Column Continued

out Christ in our services or Bible studies.

**“and”-** Though we are a Church founded on God's unchanging Word (2 Tim. 3:16), and we have Holy Scripture as our divinely inspired authority for faith and practice, we also realize that Christianity is often not “either/or” but instead is “yes, and.” God is One, yes, and God is Three. We believe in preaching the Gospel, yes, and we believing in doing good works in the community. We believe in worshiping in services on Sunday, yes, and we believe our lives should be continuous acts of service.

**“sharing”-** We believe we are not to have “private” faith, indeed we are to publicly share our faith in Jesus Christ (Matt 28:19-20). We also believe God calls us to be giving people. “Each man should give what he has decided in his

heart to give, not reluctantly or under compulsion, for God loves a cheerful giver.” 2 Cor 9:7( NIV) In addition we believe in sharing our resources with those in need, “And do not forget to do good and to share with others, for with such sacrifices God is pleased.” Heb. 13:16 (NIV)

**“Christ”-** Jesus Christ is our Lord, Savior and Foundation (Eph. 2:20). Without His life, death, resurrection and forgiveness there is no salvation for us. It is in “Christ Alone” we stand now and forever.

I hope after reading this you catch some of my excitement for the statement, “All generations together seeking and sharing Christ.” It is just 7 words. But I truly believe each word says something about who we are, and who God is calling us to be.

Your servant in Christ  
Jesus, ~Pastor Corey

### Should I be Baptized?

Each person who comes to believe in Jesus Christ and seeks to follow Him with their life should receive Christian Baptism. Baptism is an act of obedience for the true believer who has truly repented of their sins, and has come to trust in Jesus Christ as their Lord and Savior (Acts 2:28). It should not be entered into lightly. Don't get baptized because you are feeling pressure from family and friends. Only be baptized if you believe Jesus Christ is your Lord and Savior, and you have never received Christian Baptism before.

If you have been baptized before with a Christian Baptism, you do not need to be baptized again. If you have questions, or for more information contact Pastor Corey, 878-1509 or [thelaugers@yahoo.com](mailto:thelaugers@yahoo.com).
